

Zuzana Hájková

Associate

Zuzana Hájková specialises in commercial law. She focuses on services to German-speaking clients.

In commercial law and corporate law, Zuzana has experience in advising major global companies on doing business in the Czech Republic, including establishment and acquisition of companies and contractual arrangements for a wide range of commercial relationships. She also focuses on preparing documentation for the members of the corporate authorities.

Prior to joining our law firm, Zuzana worked for almost six years at the Czech office of international law firm DLA Piper, where she specialised primarily in commercial law, employment law, regulatory law, and civil litigation.

Transactions

- providing legal advice to a major international bank operating in the Czech Republic on the sale to a non-bank entity of a part of business comprising activities related to acceptance of payment cards
- providing legal advice to a major international retail chain selling personal care and household products in connection with the setting of contractual relations with directors and proxy holders
- legal advice to a multinational Austria-based financial group on the sale of life and non-life insurance company and on establishing long-term strategic cooperation with the purchaser in the field of intermediation of insurance and banking products
- legal advice to one of the world's largest design and engineering companies on the setting of contractual relations with directors and officers
- legal advice to a renowned producer and distributor of teas and phytopharmaca, as seller, on the sale of a Czech subsidiary, including contractual provisions for various issues related to intellectual property law
- legal advice to a major international company doing business in insurance and risk management on the drafting of contractual documentation with insurance intermediaries
- legal advice to a Czech territorial self-governing unit on the acquisition of a water infrastructure operator
- legal advice to a company belonging in a major German transportation group in connection with the enforcement of its claims against a Czech engineering company, including advice relating to insolvency proceedings against the debtor
- providing legal advice to an insurance company in one of the largest insurance groups in Europe on day-to-day affairs in corporate governance, including advice on related regulatory matters
