

## Eva Jiráková

Associate

Eva Jiráková specialises in real estate and construction law, renewable resources, and environmental law.

In the field of real estate and construction law, Eva has provided comprehensive legal advice on the construction, operation and lease of office space, logistic facilities, and shopping malls.

In the field of renewable resources she has been involved in numerous transactions, representing both sellers and purchasers in acquisitions of photovoltaic projects, wind power plants, and biogas plants.

Before joining our law firm, she worked for almost four years at the Prague office of a major international law firm, and for two years at a Czech law firm.

### Transactions

- advising a major international financial group on the acquisition of one of the largest shopping centres in the Czech Republic
- advising German real estate funds on the management and lease of a real estate portfolio in the Czech Republic
- advising a foreign real estate fund on the acquisition of a shopping centre and a hotel in Prague
- advising a major European wholesaler for building, house and garden on their expansion in the Czech Republic
- advising a major German real estate fund on the acquisition of office buildings in Prague
- advising one of the leading Austrian real estate investors on the acquisition of shopping centres in the Czech Republic
- advising a German retail store chain on their expansion in the Czech Republic
- advising Austrian and German investors on acquisitions of photovoltaic projects, wind parks and biogas plants in the Czech Republic
