

Ludvík Juříčka

Partner

Ludvík Juříčka specialises in corporate law, mergers and acquisitions, real estate and construction, price control, and dispute resolution.

He participated in a number of M&A transactions (representing both sellers and purchasers) in various manufacturing industries, in particular construction, engineering, and automotive, and also in agriculture and food industry.

In the area of corporate law he specialises in advising private clients, with a focus on intergenerational transfer of capital and the formation of family holding structures, trust funds, and representation of clients in disputes with shareholders.

In the area of real estate and construction law Ludvík provides full legal advice including due diligence for acquisitions of real estate, transactional and supplier contracts, advice on the selection of suppliers and obtention of the relevant public authorisations.

In the area of price control and dispute resolution he focuses on representing clients in price inspections, from the initiation of the inspection to review of administrative decisions in judicial proceedings.

Prior to joining our law firm, Ludvík worked for 12 years as a managing associate of a law firm cooperating with leading foreign audit firms, where he was in charge of the Brno and Ostrava branches.

Ludvík has been co-responsible for the management of our Brno office since 2012.

Transactions

- advising the U.S.-based MOOG group on their acquisition of VÚES in the Czech Republic
- advising on the acquisition of several companies by a leading insurer in Central Europe and on a post-acquisition intra-group merger
- advising on the sale of a building materials manufacturing company
- successfully representing a steel-making company before the Financial Directorate, the Ministry of Finance, and in administrative judicial proceedings, in which the historically highest fine in the Czech Republic was imposed for alleged breach of price regulations
- advising a major US manufacturer of semi-conductors on the transfer of assets to the main shareholder
- representing the main shareholder in a dispute with minority shareholders
- advising private owners on the establishment of a qualified investors fund and the subsequent transformation on the basis of which the fund acquired a valuable real estate portfolio
- advising on several acquisitions of real estate and the subsequent construction of production plants in industrial zones in Moravia and Silesia, and negotiating with representatives of the involved municipalities
- advising developers from the preparatory stage on real estate legal due diligence, drafting the acquisition documentation, to completion of the construction of individual projects
- formation of several trust funds in connection with intergenerational transfer of capital
