

Ondřej Kábelka

Associate

Ondřej Kábelka specialises in real estate and construction law, acquisitions and sale of real estate.

In the area of real estate and construction law Ondřej specialises in comprehensive legal advice on the sale, purchase and lease of real estate including due diligence.

In the area of acquisitions and sale he participated in a number of transactions representing both sellers and purchasers in particular in the fields of commercial administration, wholesale and energy.

Prior to joining our law firm, Ondřej worked for several years as an associate at leading Czech law firms.

Transactions

- advising a major Czech construction company in connection with the implementation of a project for an automotive company
- advising a major Czech investment fund on the acquisition of a portfolio of commercial real estate in the Czech Republic
- advising a Czech investor on acquisitions in the field of renewable sources in the Czech Republic and Slovakia
- advising Czech and Slovak companies on planned investment in real estate in the Czech Republic
