

Jiří Halaburt Managing Associate

Jiří Halaburt specialises in treatment of claims, mergers and acquisitions, and real estate law, and advises both corporate and private clients.

In his practice, Jiří focuses primarily on advising German and German-speaking clients entering the Czech market or already operating in the Czech market, as well as advising on contract law and treatment of claims of Czech corporate and private clients under cross-border Czech-German mandates.

Prior to joining our law firm in September 2019, Jiří managed the law firm HALABURT SCHWARZER & PARTNER for a long time. In addition to his attorney practice, he also actively participated in negotiations, methodical preparation and implementation of projects under the Ziel 3 grant program for private and public entities in cooperation with IHK Bayreuth and IHK Chemnitz.
